I think maybe thats it , I need to find someone with a 6s with verizon.

I am mad at the guys that sold me the phone , I didnt know 7 was coming out , I am sure they did , I was at costco and was asking if they could lower my bill and one thing let to another and I ended up buying the 6s. I am going to go back to costco and see if I can get a 7 in stead.
